How do I log into eduroam wireless on my computer?

Tell Me
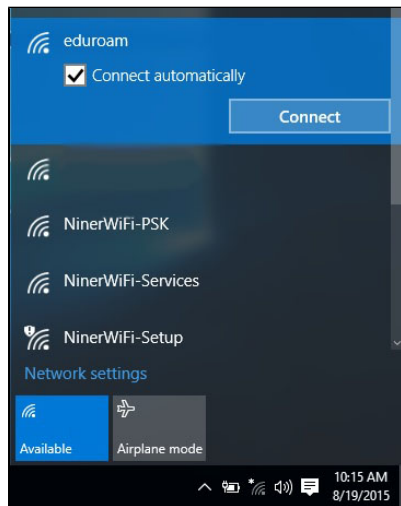

> **⊘ Note**
>
> When logging into eduroam...
>
> When on the UNC Charlotte campus, you can enter either your NinerNET username or your full **username@uncc.edu** as your eduroam username
>
> When you are at **another institution**, you must use your full **username@uncc.edu** as your eduroam username

| Windows 10	macOSX

1. Log onto your computer
2. Open the **Networks** window by clicking on the wireless icon
3. Click on the **eduroam** network, check the **Connect automatically** box and click **Connect**

4. Enter your NinerNET credentials (see note above about username or username@uncc.edu)

5. If prompted to verify that you want to connect to eduroam, click **Continue**
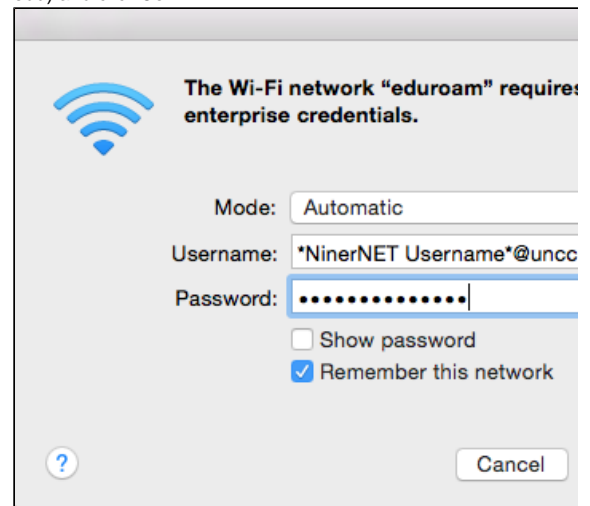

6. You are now connected to the eduroam wireless network

---

1. Log onto your computer
2. Open the available wireless networks window by clicking on the
3. Click on the **eduroam** network

4. Enter your NinerNET credentials (see note above about usernar edu) and click **Join**

5. You are now connected to the eduroam wireless network

ⓘ **Note**

If you have any issues connecting to eduroam using these instructions, try the instructions in this **FAQ**.
